

History

Hard Rock Cafe International, Inc. is a chain of restaurants founded in 1971 by Isaac Tigrett and Peter Morton in London. In the early seventies, the world was experiencing free love, drugs and some of the greatest rock and roll of all time. In that period HRC became famous because it provided a perfect rock 'n' roll atmosphere. In 2007, Hard Rock was sold to the **Seminole Tribe of Florida** and nowadays its headquarters are in Orlando, Florida. There are 191 Hard Rock locations in 59 countries including 157 cafes, 22 hotels and 11 casinos.

HRC is famous for its collection of rock and roll memorabilia including famous singers' guitars, costumes from world tours and photographs. The collection began in 1979 with a guitar from Eric Clapton, who was a regular customer of the first restaurant in London. Clapton wanted to hang his guitar over his favourite stool in order to lay claim to that spot. Pete Townshend of "The Who" decided to give one of his guitars, as well and added the note: "Mine's as good as his! Love, Pete." The collection includes about 1,000 pieces, valued at \$40 million and is the largest collection of Rock and Roll memorabilia in the world.

Market segmentation

Hard Rock International produces different products for different population segments. The target market for cafes are tourists, families with and without children and upper and middle class people.

Souvenirs such as pins and glassware are marketed to collectors who are emotionally linked to the product and brand and ready to pay high prices for them. Pin enthusiasts have their own rewards program (The Pin Club), separate from HRI other frequent buyer program (The All Access Program). With the Pin Club Card, customers get 10% off every purchase and can purchase special pins before they arrive in stores.

Hard Rock LIVE! is another new product from HRI. Hard Rock LIVE are music venues where concerts are organized. The target market for this product changes depending on the artist or group playing at the venue.

Price

Hard Rock Cafe mainly focuses on the quality of its products and uses differentiation strategies to be competitive on the market. Its products are sometimes more expensive than similar products sold by its competitors but their quality is much better. Therefore customers develop loyalty to brand and this helps to beat competitors in the marketplace. For instance in Florence they use “Chianina” meat and rolls produced in a local bakery in order to offer top -quality hamburgers at competitive prices.

HRC invests money in the purchase of high-quality products, staff training and promotion. Its products come from several suppliers. One of its largest suppliers is Sysco. Sysco produces goods for food companies such as meat, cleaning supplies, napkins, aluminium foil, straws and plastic cutlery. By offering a wide variety of products and services to restaurants, Sysco can offer discounts based on the quantity and frequency of orders.
